Priority High School is a non-profit public charter school

Introduction

The Student Handbook provides students and their parents with an overview of the policies and procedures that govern a student's academic achievement, behavior and attendance while attending Priority High School. It is the responsibility of each student and parent to become familiar with the handbook's content.

COVID-19

The health and well-being of all of the students and staff is a top priority for Priority High School. As a result, a plan has been put together in the event that a student or staff member contracts COVID-19. That plan is as follows:

Plan A

Students will report to school every Monday through Thursday. Masks will be required to be worn by anyone entering the building. Temperature checks will be required as well. Anyone with a temperature of over 99.0° will not be permitted in the building. In addition, hand sanitizer will be distributed throughout the building. The building will be closed on Fridays to completely sanitize everything.

Friday will still be a scheduled school day for all students. Students will log into Google Classroom from home to do scheduled work.

Plan B

If any student, teacher or staff member is to test positive for COVID-19, the following plan will be put into place:

The building/facility in which that person is located will be shut down for fourteen days.

Sanitation will continue to happen every Friday whether or not anyone is in the building. All other facilities will remain open for business during those fourteen days.

Students located in any building that is shut down will still be assigned schoolwork during this time. Teachers will be working with the students from home. Once the quarantine period has ended, all students and staff will return to school.

Plan C

In the event Governor DeWine mandates the closure of schools, students will work remotely from home using Google Classroom.

As more information becomes available about COVID-19, this plan will continue to be updated.

A student must earn a total of at least 4 points on English tests, 4 points on math tests, and 6 points on science and social studies tests.

Additional Pathways:

Additional pathways for student to graduate vary by graduating year. For the most up to date information please see you school counselor.

Every potential graduate needs one of the following:

- **A letter of acceptance to a college**
- **A letter of acceptance to a vocational school**
- **A letter of acceptance from a branch of the military**
- **A letter of verification of full-time employment**

Transfer Credit and Official School Records: Credit earned at another high school will be accepted by PHS upon receipt of *an official school transcript with signature* issued by the former school. If an official high school transcript is not received from the students previous school listing credits and grades earned, the student must make up all credits needed to earn graduation status. Credit requirements for transfer students may be adjusted.

Make-up Work: Students who fall behind due to absences must be caught up in all work by the end of each quarter and semester.

The grades of students who do not complete all assigned work will be lowered. ***Incomplete grade will not be given if a student's absences are unexcused.***

Credit Recovery Program: Students who are deficient in credit can remediate those deficiencies in the school's credit recovery period, held during the school day. Students are required to attend summer school if credit is not made up during the school year.

After-school Teacher Help Sessions: Students who need extra help in any class may receive individual help in the afternoon every school day except Friday. Students who want this help should contact their teacher or counselor.

Controversial Materials: Parents who object to the use of specific educational material should notify the principal. The principal will attempt to resolve the issue with the parent. If the matter remains unresolved, a committee made up of teachers and parents will be appointed to review the material and submit their findings and recommendations to the superintendent. The superintendent's decision may be appealed to the Board of Trustees.

Promotion Requirements: Students will be placed in the correct grade level based on their age and not on credit earned. However, all credit requirements and testing requirements must be met for the student to earn graduation status.

School Books & Educational Material: Students are not permitted to remove from the school building any school-owned textbook, manual or other reading material. Most textbooks are on-line. Students who damage school-owned textbooks or other material will be charged the replacement cost of the book or manual.

Participation in the Commencement Program: The Commencement exercise will include only those students who have successfully completed the requirements for graduation listed on pages 4 and 5, as certified by the Superintendent, or those students who have been deemed eligible to participate in such exercises in accordance with the terms of their IEP. Students who owe fees will not receive their diploma until all fees are paid.

Transcripts: Official transcripts will be processed upon request. Official transcripts will not be released if there are fees owed.

Academic Calendar: Priority High School operates on a four-quarter, two-semester schedule. While grades are issued at the end of each quarter and are used to determine the semester grades, only the semester grade is recorded on the student's transcript. Semester grades determine the credit earned, class rank and grade point average.

The academic schedule for the 2020-2021 school year is:

1st Quarter: September 1-October 30

2nd Quarter & end of 1st Sem: November 2 to January 15

3rd Quarter: January 19 to March 19

4th Quarter & end of 2nd Sem: March 29 to May 28

Parents can access their students grade via Progressbook at any time.

Class Work: Regular attendance in all classes is important if students are to earn passing grades. Students are expected to participate fully in all classroom and school activities. All assigned work must be completed to the best of the student's ability and meet deadlines as established by the teacher and the school.

Student Discipline

Priority High School is a school of choice that students have elected to attend. All students are expected to follow the Student Code of Conduct when at school, while attending school activities, or traveling to or from school. Behavior that disrupts learning, or is disrespectful of others will not be tolerated. ***No student has the right to prevent another student from learning.*** *Students whose behavior is disruptive will be disciplined and, in extreme cases, removed from the school. The student Code of Conduct is posted in the bulletin board by the main lobby, and is reprinted in this handbook on pages 24-30.*

CD/DVD Players/Electronic Devices: CD and DVDs, iPods, MP3 players, hand-held video games, radios, pagers, and other electronic equipment or devices *are prohibited in school and on school grounds. Students who violate this policy will be disciplined. Prohibited items will be confiscated and returned to students at the end of the day. The school assumes no liability for lost or stolen items.*

Cell Phones: Cell phones may not be used by students during the school day. All student cell phones will be collected by security upon entering the building and returned at the end of the school day. If a cell phone is visible, it will be confiscated and given to the Dean of Students. The cell phone will be returned to the student by the Dean of Students after school. This policy may vary by building, please see the building coordinator for the rules in your building. In an emergency situation, parents should call the school to get a message to the student.

Student Searches: The school has a legal right to search students, their school lockers and their personal property to ensure a safe and orderly learning environment.

A search will be conducted whenever there is a reasonable cause to believe that a student is in possession of items prohibited by the school's Code of Conduct. Refusal by a student to submit to a search may result in the police being called and additional disciplinary action, including suspension and expulsion.

Disciplinary Consequences: Discipline is viewed as an instructional process to help students develop self-discipline, appropriate school work habits and social skills. It is recognized that violations of the student code of conduct requires consistent consequences to ensure a safe and orderly learning environment. ***Students must assume responsibility for their actions and respect the rights of others.*** All students have a right to learn, but no student has the right to disrupt the learning of others.

The school uses a broad range of disciplinary options designed to ensure appropriate student conduct. A student's failure to follow the Student Code of Conduct will result in teacher or administrator intervention that may include, but not limited to, the following:

- Reminder or warning
- Teacher and/or administrator/student conference
- Parent contact
- Teacher and/or administrator/parent conference
- Teacher and/or administrator assigned detention
- Removal from class

Parent Shadowing: The administration may provide a parent with the option of shadowing his/her child to school for one to ten school days in place of a suspension. The decision to offer this option rests with the school.

Emergency Removal Pending Parent Conference: The administration may temporarily remove a student from school for inappropriate school or class behavior that is so chronic or severe that it threatens to disrupt the education of other students, or threatens the health, safety or well-being of the student, other students, or staff. The student may be removed for up to 72 hours or until a meeting with the student's parent/guardian is held.

During the removal, a parent conference will be scheduled to determine what disciplinary action, if any, may be taken and whether the student may return to school and if so, under what conditions.

School Suspensions: The administration may suspend a student from school for up to ten school days for inappropriate school or class behavior, for any serious violation of the Student Code of Conduct or repeated violations of the Code of Conduct. Suspended students will be assigned to the In-school suspension, where students will do their school work and not be behind when they return to their regular classes. Students who fail to participate in this program will be given an out-of-school suspension. Students will not be allowed to do school work in an out-of-school suspension.

Expulsion: The administration may suspend a student for ten school days and recommend expulsion to the superintendent. Expulsion will be considered for major and/or repeated violations of the Student Code of Conduct.

- possessing a firearm or knife on school property or school event
- committing an act that is a criminal offense when committed by an adult that results in serious physical harm to a person or damage to property

With permission from the school, students may earn credit for school work while suspended.

Due Process Rights: Whenever disciplinary action is required, students will be given their due process rights in accordance with the Ohio Revised Code 3313.66, 3313.661 and 3313.662.

Appeal Rights: Parents and/or students may appeal a teacher's disciplinary decisions to the principal. Parents may appeal the principal's disciplinary decisions to the superintendent.

For disciplinary decisions up to and including suspensions, the superintendent's decision is final. Expulsion decisions may be appealed to the Expulsion Appeals Committee of the Board of Trustees of Priority High School.

Parents who wish to appeal the superintendent's expulsion decision must submit a written request to the superintendent indicating the basis for the appeal. This request must be submitted within five working days of the superintendent's decision. An appeal hearing with the Expulsion Appeals Committee will be scheduled within 10 days of receipt of the written appeal. The committee's decision will be given by certified mail within 3 working days.

Student Code of Conduct

The student Code of Conduct is based on the idea that learning takes place in a disciplined environment and that students have a responsibility to use the services and facilities of the Priority High School for the purpose of education. Rules that regulate student behavior have been adopted by the Priority High School Board of Trustees in order to operate the school in an efficient and orderly manner. Other acts not listed may exist in disciplinary action if the behavior is disruptive, hinders other students' learning, violates the right of others or is considered to be inappropriate.

Any student who engages in the following types of conduct is subject to disciplinary measures ranging from verbal reprimand,

removal from school. Students found in violation of the weapons policy of the school are subject to a one-year expulsion from the school.

School personnel will consider a variety of factors in deciding the discipline that should be administered to a student. Students who help other students violate the code of conduct will also be disciplined.

The Code of Conduct applies to any Priority High School student in the custody or control of the school, in the school building or on school grounds, in the general proximity of the school building or school grounds, at a school-sponsored function or activity or on school sponsored buses. The Code also governs student conduct at any time, both on and off school grounds, when such conduct reasonably relates to the health, safety, or welfare of Priority High School students, interrupts the educational process of Priority High School or another school, or in the judgment of the school officials, is considered school related.

Listed are the steps to be followed by the administration when student misbehavior occurs:

Level 1: Under level 1 punishment, the misconduct will be addressed by the teacher, and the teacher may either: (a) verbally reprimand the student; (b) provide an oral or written notification to parents; (c) issue a classroom detention; (d) conduct a teacher conference with parents; (e) separate the student from peers; (f) issue a detention; and/or (g) deny the student classroom privileges. Repeated offenses may result in Saturday School, up to a 10 day suspension or possible expulsion, as deemed appropriate by the Superintendent or his designee.

Level 2: All the steps listed in Level 1, plus the following: Under level 2 punishment, if the same acts of misconduct continue or if serious acts of misconduct occur, a conference with the parent/guardian, teacher and/or principal is held in order to discuss the incident and develop an appropriate corrective action plan and/or disciplinary action. Appropriate action may include suspension.

Level 3: All the steps in Levels 1 and 2, plus the following: The pupil may be suspended for up to 10 school days.

Level 4: All the steps in Levels 1, 2, and/or 3, plus the following: The pupil may be expelled for up to 80 days, unless one year is allowed or mandated by law.
